## PERMISSION FORM for CHILD INVOLVEMENT IN MEDIA/MARKETING MATERIALS 2009 / 2010

Occasionally someone from the media contacts our school about a feature story. It is important that we know before the media arrives if you have any objection to your child (children) being included in these stories. Additionally, occasionally the school will prepare a marketing or informational brochure. Signing this form authorizes the school to photograph your child (children) and use the photographs in brochures or in other similar publications. Please fill out and return this release. We will keep it on file for the coming year. If you choose not to have your child(children) included, please fill out, and mark **NO** boldly. The marketing materials would be limited to ads, brochures or fliers and would not include anything on our web site.

NOTE: This form applies only to feature stories, ads, brochures and fliers. If reporters come to school for a general news story, the school administration will make every effort to keep them from interviewing or photographing students.
