RE: **School Reach** Instant Parent Contact

In order to enable school personnel to notify all parents by phone within minutes of an emergency or unplanned event that causes early dismissal, school cancellation or late start, please fill out the form below and return to the school office by the first day of school on Monday, August 18, 2008.

The School Reach program is a wonderful communication tool between school and home. I appreciate your cooperation by working together to partner in the continuing education and safety of our children.

If you have any questions, please feel free to contact me.
