

New addition to the TWB certificate program!!!!!! Certificates for certificates are now available. You can purchase a certificate with any of the 4 themes below in any dollar increment and give these as gifts. Then the recipient can redeem the certificate towards any of the TWB certificates of their choice. These certificates are available for purchase at the school office during office hours and after all of the masses on the weekend. This is a perfect gift for teachers, parents, friends when you're not sure exactly what to get them!

Thanks for your support and if you have any questions, please contact me.
